Virginia Association for Career & Technical Education Special Needs Division

VACTE-SND

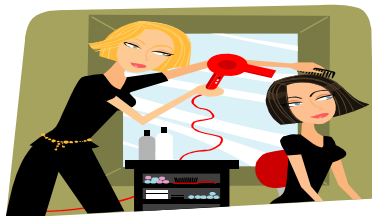

Virginia Association of Career & Technical Education-Special Needs Division

Our Mission

- To serve as a unifying association for all personnel who serve in, or are interested in, career and technical programs for learners with special needs in Virginia
- To unite local and regional associations of career and technical education special needs personnel into a state-wide professional network and promote exemplary programs for special needs students.
- To promote and maintain active advocacy and leadership roles, in the advancement of inclusion of students with special needs in career and technical education programs.

Who should join VACTE-SND?

- Anyone supporting students with special needs in CTE courses
- CTE teachers, administrators, assistants
- Community Liaisons and parents

VACTE-SND Goals

- Increase membership in related national and state associations.
- Provide information to members through dissemination of professional materials and personal contacts.
- Improve communication with the membership at the local, regional, state and national levels.
- Support the connection between DCDT and VACTE
- Promote career and technical education for students with special needs.
- Recognize outstanding CTE special needs educators in Virginia.
- Provide scholarships to students with special needs in CTE programs.
- Organize and conduct professional development conferences.
- Collaborate with federal and state agencies to enhance services to special needs students.
- Increase funding for lobbying efforts through membership dues.

What we do...

- Advocate for continued inclusion and support of students with special needs in CTE programs
- Co-sponsor **Virginia Transition Forum** held every March
- Provide legislative and transition information to members
- Advise state on development of education programs for career educators of students with special needs
- Support VACTE legislative and lobbying efforts to increase federal funding for Career & Technical Education.
- Network with CTE and other special needs organizations to further our cause.
